

The Venus Transit 8 June 2004

I'm sure you've heard about Venus' eclipse of the sun this coming Tuesday and I thought you'd enjoy some info about it.

If you check this website

you can see the path. As it turns out, Dubai and hence, Bahrain are the very BEST places in the world to see it.

Isn't that auspicious?

Some info for you about this great event!!!

The Venus Transit, which is occurring on June 8, 2004, is not an ordinary astronomical event. It last occurred in the year 1882 and has always preceded great breakthroughs in human consciousness and played a very significant role in the Mayan Calendar.

It is interesting to note that the Taj Mahal, one of the Seven Wonders of the World, was built during one of the Venus Transits, occurring between 1631-1639 AD.

June 8, 2004 is being promoted worldwide as the Global Oneness Celebration. Spiritual teachers from different religions and faiths, artists and musicians will get together and celebrate the biggest spiritual event in human history. This period is considered to be auspicious for the world to make a new beginning and hence the concept of celebration. (<http://www.globaloneness.com/>>)

What else?

Venus retrogrades every 260 days but it only passes over the sun every 122 years. The exact Passover is on June 8th, beginning 5 am GMT, UK time zone (Pacific Standard time it is from 9 PM on 6/7/04 to 4 am 6/8/04). It will take about 7 hours for Venus to pass in front of the Sun. The last time this happened was in 1882. No one alive today has felt this energy before. The ancient Mayas call the Venus -Sun Passover the return of Quetzacoatal but is also symbol of death and a rebirth of a higher consciousness.

The Venus Passover repeats again on June 6th 2012, the very near of the end of the Mayan Long count calendar (ending on 12/21/2012) and the ending of a huge 26000-year cycle. In Christianity the Venus-Sun Passover symbolizes the return of the Christ Consciousness. Christ and Quetzacoatal are both messengers of love and wisdom, light and knowledge. Venus is like a Holy Grail in the stars holding the power of the feminine, the power of love, and the power of abundance.

Our Sun is power house of lighted divine wisdom. When the two planets cross paths it will give us the ability to take all relationships, intimate and otherwise to the next higher level.

GREAT CHANGES ARE ON THEIR WAY! Enjoy!!!
